

WHAT DO YOU WANT TO DO?

It's a big question, but you can get to the answer more easily if you start with a structured plan.

By answering the questions below, you'll be able to get an idea of what type of job you are looking for.

1. Use the space below to write down what you enjoy doing:

1.
2.
3.
4.

Once you have an idea of what you would enjoy doing, think about the types of jobs where you can do that.

- ➔ For example, if you like working with your hands, building, decorating or gardening may be a good place to start looking for jobs. If you prefer helping and talking to people, then a customer service job may be better.

2. Use the space below to write down some job options linked to your interests:

1.
2.
3.
4.

Now that you have an idea of the types of jobs that you want to apply for, you can start to think about where to find those types of jobs, what skills you might need and how to take your next steps.

You may not find the perfect job straight away. But these questions will help you. Talk all this through with your mentor and they will give you advice.
