# WELCOME TO RISEHOLME COLLEGE

Here at Riseholme College, our goal is to make sure you have everything you need and more to succeed.

**MORE COURSES. MORE SUPPORT.  
MORE PROGRESSION OPPORTUNITIES.  
MORE FACILITIES. MORE CAREERS.**

We combine innovative technology with industry specialist tutors and real working environments, enabling you to develop the practical skills and knowledge needed for your future career.

**BE  
MORE AT  
RISEHOLME  
COLLEGE**

We understand that **choosing the right course is an important decision**. If you have any questions about any of our courses and would like to discuss which is right for you, get in touch with our supportive Student Recruitment team:

**> E: [enquiries@riseholme.ac.uk](mailto:enquiries@riseholme.ac.uk)

**A TRULY  
UNIQUE AND  
IMPRESSIVE  
CAMPUS**

## MORE ON CAMPUS

Set in stunning countryside just on the outskirts of Lincoln, our Showground and Park campuses are packed with specialist, innovative technology and multi-million-pound state-of-the-art facilities.

### These include:

- Institute of Technology for Precision Agriculture and Agri-Food
- Agri-Tech Health and Nutrition Centre, with professional kitchens and dedicated laboratories
- Recently updated farm facilities, including a new roundhouse for our Lincoln Red cattle and Centre of Agricultural Innovation
- Specialist Animal Management Unit
- Recently refurbished Equine Centre with indoor and outdoor arenas and a rider performance suite
- Sports and Health Science Centre, complete with gym, multi-use sports hall and 3G flood-lit pitch
- Outstanding agricultural engineering facilities

## FOOD AND DRINK

From just a coffee to a full meal, we've got you covered with refectories at both of our campuses. They're the perfect place to hang out with friends between lectures.

## LEARNING RESOURCE CENTRE (LRC)

The Learning Resource Centre (LRC) based at our Showground campus is a hub of physical and online resources. With over 32,000 items available to loan, the LRC provides access to over 1000 journal titles from a range of databases, specialist collection journals and 100s of eBooks.

Students can take advantage of the free Wi-Fi across our campuses, laptops and PCs available to loan or pre-book and help from friendly, knowledgeable staff.

## BE MORE AT RISEHOLME COLLEGE

If you have any questions about our campus and facilities, get in touch with our Student Recruitment team:

LINCOLNSHIRE  
INSTITUTE OF  
TECHNOLOGY

## MORE TECHNOLOGY: PRECISION AGRICULTURE AND AGRI-FOOD AT THE INSTITUTE OF TECHNOLOGY

Riseholme College is a Lincolnshire Institute of Technology. The Institute has been designed to increase high-level technical skills within industry and is a unique collaboration between education partners and industry specialists. Our programmes provide students, and the agricultural industry, with the essential skills to utilise technology to its full potential.

Over £1 million has been invested in the Riseholme Institute of Technology to develop a new training facility including classrooms, dedicated workspaces and precision farming technologies.

The Institute of Technology offers a new strand of cutting-edge agricultural education.

### Institute of Technology courses at Riseholme

- BTEC Level 3 Extended Diploma in Agriculture
- Advanced Apprenticeship in Land-Based Service Engineering Technician
- HNC Agriculture
- HNC Engineering (Mechanical)
- FdSc Agriculture
- FdSc Agriculture (Precision Crop Technology)
- FdSc Agri-Food and Supply Chain
- BSc (Hons) Agriculture (Top Up)

THE INSTITUTE  
OF TECHNOLOGY  
OFFERS A NEW  
STRAND OF  
CUTTING-EDGE  
AGRICULTURAL  
EDUCATION.

## BE MORE AT RISEHOLME COLLEGE

**E: [enquiries@riseholme.ac.uk](mailto:enquiries@riseholme.ac.uk)**  
**T: 01522 304600**

## MORE STUDENT SUPPORT

We have a fantastic team of staff on campus who are available to help support you throughout your time with us. Specialist support is available for people with diagnosed additional needs, through to less formal support to help students on every level of course. Our team can assist with everything from understanding assignment briefs to working out percentages.

Aside from academic support, our Student Services team can offer advice and guidance on a whole host of things, whether you're struggling with your mental health or want to chat through your transport options.

Regardless of the type of support you need, our expert teams will work with you to make sure you're happy, healthy and ready to succeed.

## BE MORE AT RISEHOLME COLLEGE

To find out more about the wide range of Student Support offered at Riseholme College, contact our Student Recruitment team:

**E: [enquiries@riseholme.ac.uk](mailto:enquiries@riseholme.ac.uk)**  
**T: 01522 304600**

# OPEN EVENTS AND CAMPUS TOURS

The best way to really find out about what we have to offer is to join us at one of our Open Events.

Due to the ever-changing restrictions as a result of the global pandemic we will be delivering a range of on campus events and virtual campus tours.

Whatever the situation, we'll make sure you get all the information you need to make an informed choice.

## BOOK YOUR OPEN EVENT PLACE

Find the latest information on Open Events, including dates and how to book your place, at [www.riseholme.ac.uk/openevents](http://www.riseholme.ac.uk/openevents).

**1+2+1**  
**ADVICE**  
SESSIONS

So that we can ensure that you have everything you need, we're also offering dedicated **1+2+1** advice sessions with the Higher Education team. Request your session now at [www.riseholme.ac.uk/degree121](http://www.riseholme.ac.uk/degree121).

## BE MORE AT RISEHOLME COLLEGE

Our Student Recruitment team are on hand to help with any Open Event queries:

E: [enquiries@riseholme.ac.uk](mailto:enquiries@riseholme.ac.uk)

T: 01522 304600

## MORE ACCOMMODATION

By choosing to live on campus, you will make friends for life and enjoy an experience that you will never forget.

With brand new accommodation opening in 2021, you'll be living in an apartment dedicated to your level of study – college or university. You'll have access to free parking, free WiFi, laundry facilities and a shared kitchen. Don't worry if you aren't a good chef, all of our rooms are half board, so you get £1,000 food card to spend in our food outlets.

You'll be supported by our friendly team of wardens, who are available throughout the night to make sure you're happy and have everything you need.

### TAKE A LOOK

You can take a look at our accommodation facilities by visiting our website or by joining us at one of our Open Events.

## MORE TRANSPORT

For those students who don't live on site, we make it as easy as possible for you to get to and from Riseholme. We run free buses for all full-time further education students along five routes across the region. If you need to catch a bus or train to join one of these services, we'll even reimburse the cost to you so that you're not out of pocket!

Pop your postcode into our bus route finder at [www.riseholme.ac.uk/transport](http://www.riseholme.ac.uk/transport) to find out which route is nearest to you.

## MORE FINANCIAL SUPPORT

Our Student Services team are always on hand to give information and advice on financial issues. There are a range of financial support options that might be available to you, which vary depending on the level you're studying at and your circumstances. These include scholarships, bursaries, grants and loans. Visit our website and head to the finance section under the relevant level - college or university - for full details.

### College Level: Course Costs

If you are 18 or under when you start your course, you won't have to pay any tuition fees. If you are 19 or over, you may still be able to study for free, based upon your age, previous qualifications, employment status and income. Your personal circumstances will need to be assessed to confirm whether a fee applies but, even if it does, you will be able to apply for an Advanced Learner Loan which you may never have to pay back.

Depending on your course, there may be equipment and clothing that's required. During our Open Events, our academic team will run you through everything that's needed for the course you're interested in.

In addition, all full-time further education students have to pay an annual £70 campus fee, which is non-refundable. This contributes towards enrichment activities, such as the costs of some trips and visits.

### Degree Level: Planning Your Finances

Budgeting for life at university can be tricky when you've never had to do it before. Having your finances in order or a budget plan of what you will need before you start is one less thing you'll have to worry about.

Tuition fees for students studying a full-time degree at Riseholme College in the academic year from September 2021 – May 2022 will be £9,250 a year. Fees for part-time students are calculated on a pro rata basis. Annual course fees will remain the same for the duration of your study programme.

There will be additional costs for some courses, such as trips and specialist equipment and clothing.

On successful completion of the programme, students have the opportunity to graduate at a ceremony wearing formal dress. The hire of the formal dress is an additional cost.

**Visit our website for a full list of fees and additional course costs.**

*When budgeting, don't forget to consider things such as accommodation, TV license, clothing, your mobile phone costs, personal care and health and fitness.*

## BE MORE AT RISEHOLME COLLEGE

Our Student Recruitment team are on hand to help with any queries regarding costs and financial support.

**E: [enquiries@riseholme.ac.uk](mailto:enquiries@riseholme.ac.uk)  
T: 01522 304600**

# MORE TO STUDENT LIFE

We understand the importance of enjoying yourself away from your studies and whether it's getting to grips with nature or the hustle-and-bustle of city life that appeals to you, Riseholme offers the best of both worlds. Based in the Lincolnshire countryside, we're just a few miles from Lincoln, which is full of shops, bars and restaurants. We also have our own gym on campus to help you stay fit and healthy.

"Student life on campus has been such an experience. You get to socialise with other like-minded people and really enjoy student life to its full potential. Not only is the campus a beautiful place to live it's also a very community-based place, meaning you always feel safe and there's always someone to talk to."

**Ellie Broadley, Student Association President 2019-2020**

**BE MORE AT

**THERE'S  
NEVER  
A DULL  
MOMENT**

## MORE COURSES

Here at Riseholme College, our courses have been specifically designed to prepare our students for industry. You'll develop the practical skills and knowledge that you need to either go straight into work or to progress to higher level study.

We offer a range of course levels, from entry level to bachelor's degrees. We know that understanding the different levels can be confusing, which is why we've listed them for you to understand the differences.

Each of our courses has specific entry requirements that vary depending on the level and subject you are wanting to apply for, so check out the relevant subject guide or head to [www.riseholme.ac.uk](http://www.riseholme.ac.uk) for details.

## BE MORE AT RISEHOLME COLLEGE

If you have any questions about the level that's best for you, contact our Student Recruitment team or take part in one of our Open Events.

E: [enquiries@riseholme.ac.uk](mailto:enquiries@riseholme.ac.uk)  
T: 01522 304600

### ENTRY LEVEL:

These are pre-GCSE level and are ideal for those who didn't get the grades they hoped for at school and want to improve their education.

### LEVEL 1:

A step up from Entry Level. These one-year courses are the equivalent of GCSE grade 3 or D to E.

### LEVEL 2:

Level 2 courses are the equivalent of GCSE grades 4 or A\* to C.

### LEVEL 3:

These are equivalent to A-Levels and can be studied over one or two years. They can be taken as Foundation Diplomas, Extended Certificates, Diplomas or Extended Diplomas. We can help you decide which is the right path for you.

## ACCESS TO HIGHER EDUCATION:

These Level 3 courses are designed for people aged 19 or over who want to return to education and prepare students to study at degree-level.

## HIGHER NATIONAL CERTIFICATE (HNC):

When studied full-time, these are one-year programmes. They are equivalent to the first year of a bachelor's degree (Level 4) and can also lead to a Higher National Diploma (HND).

## FOUNDATION DEGREES:

These two-year degree programmes allow graduates to progress onto further study to achieve a BA or BSc degree. They are flexible, technical and employment related degrees that incorporate work-based study.

## BACHELOR'S DEGREE:

A traditional three-year degree available here at Riseholme is a Bachelor of Science (BSc). Where you see (Hons) you will graduate with honours, provided you meet the required academic standard needed.

## APPRENTICESHIPS

As well as our vocational full-time courses, we offer a range of apprenticeships in various subject areas, from Business to Horticulture. Like our full-time courses, we offer apprenticeships at different levels too. You can explore the full range at [www.riseholme.ac.uk/courses](http://www.riseholme.ac.uk/courses).

Students are required to have appropriate employment with a business to undertake an apprenticeship. You may wish to source an apprenticeship with a local company and then apply via our application form to express an interest in studying with us to complete it. Alternatively, a list of live vacancies can be found at [www.riseholme.ac.uk/apprenticeships](http://www.riseholme.ac.uk/apprenticeships).

## ACADEMIC PARTNERS

Riseholme College is an official partner of some of the country's leading universities. These partnerships ensure our students enjoy an excellent academic experience and leave with a recognised and highly credible degree.

Please see our website for details on the partners relevant to your specific subject.

# COURSES AT A GLANCE

Whilst this table gives a brief indication of the level of qualifications you would need for each of our courses, full entry requirements are available at [www.riseholme.ac.uk](http://www.riseholme.ac.uk), along with details of the academic partners we work with to validate our university level programmes. For many of our courses, we will require an academic reference and for apprenticeships you will need appropriate employment in the relevant industry.

FT - Full-time  
PT - Part-time  
PT B/DL - Part-time blended/  
distance learning

Find out more @ [riseholme.ac.uk](http://riseholme.ac.uk)

## HOW TO APPLY

All full-time degree applications should be made via the Universities and Colleges Admissions Service (UCAS) website - [www.ucas.com](http://www.ucas.com). You will need to use University Centre Bishop Burton's institution code, which is **B37**, choosing campus code R for Riseholme.

Applications for all full-time college level courses and part-time university level programmes can be submitted directly through the Riseholme website at [www.riseholme.ac.uk/applynow](http://www.riseholme.ac.uk/applynow).

# HOW TO APPLY

## THE APPLICATION PROCESS

Here's what happens once we have received your application:

### 01 INTERVIEW

Once we've received your application you may be sent details of an interview date and time with the relevant course manager via email. We interview all college level students and our degree level course managers like to speak to some applicants too. Please let us know if the appointment you receive isn't suitable, we're here to fit around what's best for you.

### 02 YOUR OFFER

Once our team are happy, you'll receive an offer of a place at Riseholme with details of any conditions you'll need to secure your place, i.e. necessary qualifications. Please confirm whether you accept the offer or not. If during the interview you realise the course isn't for you, don't worry, we're here to help guide you to the route that is right for you.

## LINCS2

If your school is subscribed to Lincs2, an online prospectus and application system that lists the courses available from lots of different colleges within the Lincolnshire area, you may apply for college level courses using the system. If you do apply using Lincs2, you don't need to apply via our website too. We'll process your application just as we would if you apply via our website.

### 03 WHAT NEXT

If you're planning on living on campus, you'll be sent details via email when applications open. We advise that you apply asap as rooms are allocated on a first-come-first-served basis.

### 04 ENROLMENT

During the summer before you start here at Riseholme College, you'll be sent full details of how to enrol with us and a reminder of what you will need for your course and how to purchase those items. Don't worry if you don't meet all of the entry requirements for your course, we will do our best to offer you an alternative course to keep you on track.

## WHEN TO APPLY

Applications for the year you wish to study open in September the year before. We recommend that you apply as soon as you can to secure your place, but we accept applications right the way through to the September you wish to start with us, provided we have spaces available and the course remains open. Whilst UCAS advertise a January deadline, this is the case for college and degree level programmes.

Find out more @ [riseholme.ac.uk](http://riseholme.ac.uk)

## MORE LEARNING OPPORTUNITIES

We use a range of teaching methods to make sure that you have built the skills you need to succeed in your chosen industry by the time that you complete your course with us.

Our experienced, supportive and motivated staff have both academic and industrial experience. A range of guest speakers will further supplement your learning and ensure that you're fully prepared to start your career.

For all modules, theory-based lectures are where you will receive the core content of your programme and where the essential, underpinning knowledge will be delivered.

To cement the learning from theory-based lectures, you will also take part in group seminars and tutorials. Finally, the all-important, hands-on practical sessions will reinforce concepts and develop the skills that support the theory.

We encourage students to take part in extra-curricular activities and/or work experience, which is essential for some of our courses, to enhance your learning.

As a Riseholme College student, you will also have access to an online Virtual Learning Environment (VLE), which will enhance and facilitate teaching and independent learning on all programmes.

Our student-centred approach will help you develop the independent learning skills that are essential in the workplace, beyond your time at Riseholme.

**WE'RE PROUD TO SAY THAT 93% OF RISEHOLME COLLEGE'S STUDENTS GO INTO WORK OR FURTHER STUDY AFTER COMPLETING THEIR COURSE.**

## MORE OPPORTUNITIES TO GET AHEAD

**To help with this, we've introduced our new Get Ahead employability passport. All students studying a college level course with us will have the opportunity to take part in the programme alongside their studies.**

We want you to leave Riseholme with the life skills needed to succeed in the workplace; have the opportunities to work on your confidence and customer service skills, working in a team and on your own. You will also have the opportunity to volunteer, engage in work experience and become a college ambassador.

Full details of how to take part in the programme will be available during your induction week.
